

Keeping a few odds and ends in your box of diversions will allow you to host at a moment's notice – the key to great improvisation is preparation! 😊

Here are the items I make sure to keep stocked in my own collection:

- 3x5" Index Cards (a healthy stack)
- Writing utensils, various
- Player Printouts:
  - Overdue Forms x12
  - Evidence Trackers x3
  - Grandma Club Cards x6
- Dice: 2d6, 1d4, 1d8, 1d10  
(and as many extras as you want – you can never have too many dice!)

P.S. a sprig of rosemary in the box will keep your dice friendly!

Dahlia kept her collection in an old candy box. To stay true to her DIY spirit, here are some pieces you can use to decorate a box or binder to hold your own set.

Feel free to mix in any other zine games you feel fit the vibes; it's what Dahlia would have done, I'm sure.

If you do anything creative to contain your games, show us on social media and in Dahlia's Sitting Room on the SJ Games Discord server! For an invite link, a copy of this printout, and other goodies, go to [sjgames.com/dahlia](https://sjgames.com/dahlia).
