# Hipster Dice

Have you heard about that game, *Hipster Dice*, that forces you to test your hipster cred in a bluffing game of cultural savvy and obscure references?

We figured you hadn't. Poseur.

**Description:** 1 die and a rulesheet, in a blister pack. Elaborate packaging is so mainstream.

**Related Products:** There's this Eastern European game, but you probably haven't played it.

Conforms to CPSIA and EN71 safety requirements.

**WARNING:**  
CHOKING HAZARD - Small parts.  
Not for children under 3 years.

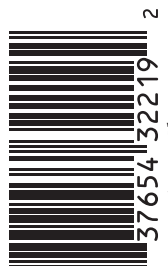

## Tell the Players

- Play this before it's cool.
- You can finally prove who is the truest hipster.
- It's okay if your friends don't get it. It's not *for* them.

## Trade Sales Points

- It's a much better deal than an overpriced corporate latte.
- The greatest irony you will ever sell. Hipsters love irony.
- Lots of crossover sales potential; you can easily pitch this to a wide audience.
