Beer. Nookie. Roommates. It's another Friday night at *Chez Geek*, the card game that lets you set up house with your friends – for as long as you can stand them. Get a job; they're all bad. Spend money and your precious spare time to accumulate Slack points. Drink cheap booze, hang out at the cafe, and play with the cats. Do unto your roomies before they do unto you. What other game gives you points for *sleeping*?

Just remember, when your roommates keep you up all night: You can't throw them out. They live here.

Key Features

- It's a hilarious card game that is *too* close to true. If you've ever had roommates, you've lived this game.
- *Chez Geek* won the Origins Award for Best Traditional Card Game.
- The card art is by John *Munchkin* Kovalic!
