Two beastly races from classic fantasy gaming come to *Munchkin* – don two pairs of footgear as a **Centaur**, or be a **Lizard Guy** and Drop Your Tail to avoid monsters. Ratchet up your power even further with class and race modifiers: Become **Legendary** to draw more loot, be an **Elite** and get combat bonuses, or double your level as an **Elder**.

## Key Features

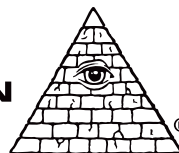

- These 112 cards include more Monsters, more Steeds, and more Treasure!
- Two new races, **Centaur**s and **Lizard Guy**s!
- More great art from *Munchkin* master John Kovalic!
