Munchkin Cthulhu 2 - Call of Cowthulhu

Munchkin Cthulhu 2 – Call of Cowthulhu puts the Great Old Ones out to pasture, Munchkin-style! In this 56-card supplement, illustrated by the amazing John Kovalic, you'll find:

- More monsters! **Hog-Sothoth**, the **Sheep Ones**, **Shogoats** – even **Cowthulhu** itself!
- More whackers! Squish unnatural creatures with the **Rolling Pin**, chop them down with the **Green Reaper**, or clean them up with the **Super Duper Pooper Scooper**.
- A special card type – **Madness**! These are played like Curses, but every Madness has its advantages as well!

And more of everything else. Watch out for **Old Man Nodens** with his faithful **Doggoth**. Defeat the **Arkhamster** with your **Prize-Winning Preserves**. And fear . . . **Bovine Intervention**!

Call of Cowthulhu. Country life will never be the same.
