# Munchkin Zombies 3 - Hideous Hideouts

## Nowhere Is Safe From The Munchkins!

The smash *Munchkin* hit of 2011 was *Munchkin Zombies* -- the fans liked it so much that it's gone back for two printings in less than a year! Now, this new set introduces the popular double-sized "Dungeon" cards to the *Zombies* genre.

In *Hideous Hideouts*, the "Dungeons" become places where the zombies can find more yummy braaaaaains! Fort Deadly, the Creepy Isolated Cabin of the Dead, Resurrecticon . . . you get the idea. And cards like *Breach the Perimeter* and *Walking in Circles* will keep the band of hungry undead on the move as they hunt for tasty, tasty survivors.

*This is an expansion for Munchkin Zombies. It is not a stand-alone game.*

**Description:** 20 double-sized cards, 16 standard-sized cards.

**Related Products:** *Munchkin Zombies* and *Munchkin Zombies 2 - Armed and Dangerous*, plus the entire *Munchkin* line! (*Munchkin 6 - Demented Dungeons* and *Munchkin Cthulhu 4 - Crazy Caverns* also have Portal and Dungeon cards, if you want to add more . . .)
