*Knightmare Chess* is chess played with cards!

The cards break the rules in wild and unpredictable ways. Some affect a single move, and some change the entire game. *Knightmare Chess* plays quickly out of the box, but it also includes variants, and it's easy for players to customize. The possibilities are endless, and so is the fun!

## Key Features

- The *Knightmare Chess* cards add a level of unpredictability and fun . . . nobody can call THIS chess game *boring*.
- A great gift for friends who don't game, but do play chess.
- The Rogério Vilela art is captivating and beautiful on its own terms.

## Contents

- 160 oversized (4-1/2"×2-1/2") full-color cards and a rulesheet in a 8"×4-7/8"×1/2" box.

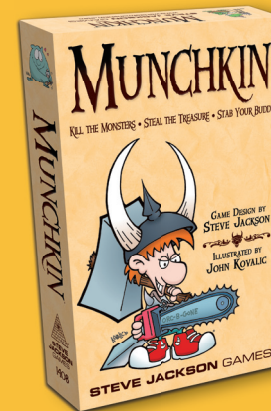

Conforms to CPSIA and EN71 safety requirements.
