*Car Wars Classic Arenas* gives hardcore autoduellists more exciting locations to showcase their skills and blow away their opponents. The boxed set contains five two-sided 22"×34" arena maps and a booklet detailing the special features of each arena. The rules will also cover revised versions of popular variants like the AADA pro circuit and more.

## Key Features

- Ten more arenas for you to autoduel in!
- These classic arenas are appearing at full play scale for the first time ever!
- *Car Wars* keeps selling out; this is a sure-fire hit!
